

### Thank you for joining us in Activity Connection programs!

To participate in our programs, we will need a health form for each participant signed by a parent/guardian as well as signed and stamped by the participant's primary physician. Additional forms such as asthma, allergy, and seizure forms are only required if the participant has any of those diagnoses. The medication form and immunization records are required for all camp participants. All forms are attached to this packet.

Please note that these forms remain locked and confidential and are only shared with the hospital staff that will be working with each participant. Once signed by the doctor, these forms can be used in any Activity Connection programs until its expiration on January 31<sup>st</sup> 2023. You may mail, fax, or scan/email the completed form(s) back to us.

Forms can be faxed to "Activity Connection" at 908-301-5503

or mailed to:

Children's Specialized Hospital  
Attention: Activity Connection  
150 New Providence Road  
Mountainside, NJ 07092

If you have not already completed the Activity Connection screening form, please go to our website to complete the form online:

(<https://csh.recdesk.com/Community/Program/Detail?programId=1223>).

Please be sure to thoroughly and accurately complete the screening form, as it helps our staff get to know each participant and makes for a more comfortable and successful environment.

Please reach out to any of our staff with any further questions, comments, or concerns.

We thank you for joining us and are looking forward to a great program!

# Asthma Treatment Plan – Student

## Parent Instructions

The PACNJ Asthma Treatment Plan is designed to help everyone understand the steps necessary for the individual student to achieve the goal of controlled asthma.

- Parents/Guardians:** Before taking this form to your Health Care Provider, complete the top left section with:
  - Child's name
  - Child's doctor's name & phone number
  - Parent/Guardian's name & phone number
  - Child's date of birth
  - An Emergency Contact person's name & phone number
- Your Health Care Provider will complete the following areas:**
  - The effective date of this plan
  - The medicine information for the Healthy, Caution and Emergency sections
  - Your Health Care Provider will check the box next to the medication and check how much and how often to take it
  - Your Health Care Provider may check "OTHER" and:
    - ❖ Write in asthma medications not listed on the form
    - ❖ Write in additional medications that will control your asthma
    - ❖ Write in generic medications in place of the name brand on the form
  - Together you and your Health Care Provider will decide what asthma treatment is best for your child to follow
- Parents/Guardians & Health Care Providers together will discuss and then complete the following areas:**
  - Child's peak flow range in the Healthy, Caution and Emergency sections on the left side of the form
  - Child's asthma triggers on the right side of the form
  - Permission to Self-administer Medication section at the bottom of the form: Discuss your child's ability to self-administer the inhaled medications, check the appropriate box, and then both you and your Health Care Provider must sign and date the form
- Parents/Guardians:** After completing the form with your Health Care Provider:
  - Make copies of the Asthma Treatment Plan and give the signed original to your child's school nurse or child care provider
  - Keep a copy easily available at home to help manage your child's asthma
  - Give copies of the Asthma Treatment Plan to everyone who provides care for your child, for example: babysitters, before/after school program staff, coaches, scout leaders

### PARENT AUTHORIZATION

I hereby give permission for my child to receive medication at school as prescribed in the Asthma Treatment Plan. Medication must be provided in its original prescription container properly labeled by a pharmacist or physician. I also give permission for the release and exchange of information between the school nurse and my child's health care provider concerning my child's health and medications. In addition, I understand that this information will be shared with school staff on a need to know basis.
